

# WOBURN II Bluetooth®

## TAGLINE

## THE POWERFUL PERFORMER

## PRODUCT COPY

Delivering a sound that resonates with the presence and power of live music, Woburn II is a carefully crafted machine, designed to attain the trademark Marshall tone. The largest speaker from Marshall, Woburn II features a robust sound and hits high trebles cleanly, handles low bass with ease and has a clear, lifelike mid range. Two 1" tweeters and dual 5.25" subwoofers are individually powered by class D amps for a total of 110 watts of power. Bluetooth 5.0 with Qualcomm® aptX™ lets you wirelessly play your music in glorious, stereo sound.

Classic Marshall details such as a textured vinyl covering, salt & pepper fret and the iconic script logo adorn Woburn II's sturdy wooden frame. Located on the front of the speaker is a brass plate, proudly etched with the establishment date of 1962 – a subtle nod to the brand's heritage and over 50 years of loud ■

## UNIQUE SELLING POINTS

### 1. LARGER THAN LIFE SOUND

- Short:** Woburn II hits high trebles cleanly, handles low bass with ease and has a clear, lifelike mid range.
- Medium:** Woburn II hits high trebles cleanly, handles low bass with ease and has a clear, lifelike mid range. Two 1" tweeters and dual 5.25" subwoofers are individually powered by class D amps for a total of 110 watts of power.
